Description

Stainless steel blade with intricately carved handle made of fine, lead free pewter. 6 inches long. Made in Canada.

Pairs well with our sculpted [Sea to Sky platters by Corinne Hunt](#).

This intricately carved Eagle handle is made of fine, lead free pewter. The blade is stainless steel and perfectly sized for your butter, pate or other spreads. The Eagle is generally seen as a symbol of power of knowledge, prestige, friendship and peace. The Eagle is one of the two main Haida crests, the other being the Raven. This perfectly balanced pate/butter knife is a pleasure to use and a wonderful gifting item. Pewter does not tarnish like silver. Wash by hand with mild soap and water. Never place in dishwasher as the detergents are corrosive for this fine metal
